POOLSIDE QUESTIONS / SHE ANSWERS IN HER OWN WORDS

1. When did you decide to come home and practise in Lagos?
2. What does natural mean in your work, and what will you not do?
3. What did you see in Lagos that told you women here were underserved?
4. What has been the hardest part of building this?
5. Why does it matter that one surgeon sees a patient from first consultation to final review?
6. What will a woman find at the Lyfe Place that she would otherwise fly abroad for?
7. What do you want a patient to feel when she leaves you?
8. What does this practice look like a year from now?

CREW RULES

- Light for bare skin. No make-up on set, and no comment on appearance or wardrobe
- Props only on the desk: no real contract, figures, letterhead or company branding in frame
- No patient details on any screen or paper
- Every extra and every builder on camera signs a release before filming
- Retakes: two per line, then move on. She answers in her own words
