Welcome Back, Dr Chinwe

The content plan, and Monday 2 November

THE IDEA

- **Title:** Welcome Back, Dr Chinwe. Building a natural aesthetics practice in Lagos
- **The story:** a surgeon comes home and builds the practice Lagos women have been flying abroad for
- **The format:** short episodes, one for each visit home, told in Dr Chinwe's own words
- **The thread:** natural results; looking rested, not done

ALREADY FILMED

- The welcome at the MedLYFE clinic, and Dr Chinwe answering the patient questions
- Setting up the procedure room with the nursing team
- The five patient and doctor films from Thursday and Friday

MONDAY 2 NOVEMBER, AT THE ESTATE

8:00	Arrival home
8:30	At work: the desk, the plans, the signing
9:15	A conversation by the pool, about the journey so far
10:30	Anything Dr Chinwe would like to say again
11:00	Free for the rest of the day

FOR THE CONVERSATION BY THE POOL / A GUIDE ONLY, IN YOUR OWN WORDS

- Coming home to practise in Lagos
- What natural means, and what she will not do
- What has been hardest about building this
- One surgeon from first consultation to final review
- What the practice looks like a year from now

LATER

- **The Lyfe Place, Lekki:** the build in progress, with the team on site
- **With Dr Itunu:** a short strategy conversation at the Lyfe Place, on a day that suits her

TWO QUESTIONS

- **Dr Chinwe:** does Monday morning at the estate work for you?
- **Dr Itunu:** would you be happy to appear in the Lyfe Place scene, and which day suits you?
