Lyfe

PLASTICS AND DERMATOLOGY

By invitation. Numbers are limited.
Introducing Lyfe Plastics and Dermatology, promoted by Dr Chinwe Kpaduwa.

The evening

- **The panel**

Why the woman who sleeps badly, carries weight she cannot shift and dislikes her skin has one problem rather than three.

- **In conversation with Dr Chinwe Kpaduwa**

Under her own title, The Art of Looking Like Yourself. How a surgeon decides who should have something done, and who should not.

- **The services, and what they cost**

Said out loud, with the prices, because a room that has to ask assumes the worst.

- **Questions from the room**

The ones people are too polite to ask in a consultation.
