AGELESS

Final checklist

FOR Dr Debo Odulana and the event team
FROM Consult for Africa
AS AT 20 October 2026

In short

- Tomorrow, Wednesday 21 October. Capital Club, 6 Elsie Femi Pearse Street, Victoria Island. Arrival 6:00pm, programme 6:30pm, close 9:30pm. Smart casual.
- Most of the build is done. What is left is confirming things by phone today and running the night.
- Five items to close today: the opening film on the venue's screen, the speaker call time, the final headcount to the venue, the takeaway in the room, and Dr Akinware's speaking role.
- Headcount at 8:07am today: 48 confirmed registrations, 65 heads including plus-ones, against 70 places. 17 plus-ones are still unnamed by their hosts, and 13 of the confirmed are clinicians. Source: docs/ageless/lists/AGELESS - Guest List.xlsx.
- Done means the repo or a sent email shows it. Confirm means it was planned and nobody has recorded it happening.
