Confirm what can be said about The Lyfe Place opening date	Waiting list members will ask
Decide whether to hold a second AGELESS, and when	Guests want a longer programme and more on hormones, fertility and strength

Recommendations for the next edition

- Check-in: record attendance at the door.
- Guests brought: collect their names and phone numbers at registration.
- Registration: open earlier and give each inviter a tracked link.
- Programme: allow more time for the panel and questions.
- Venue and logistics: review, as this scored lowest in early feedback.
