PLASTICS AND DERMATOLOGY

Look rested. Not rearranged.

Aesthetic care in Lagos, delivered by registered clinicians, to a standard set and signed off by a board certified plastic surgeon. We will tell you what will work, what will not, and when the honest answer is to do nothing.

WHAT A PROPER CONSULTATION LOOKS LIKE

- 01 Somebody examines you, rather than looking at a photograph.
- 02 Somebody asks about your health, not only about your goals.
- 03 Somebody tells you plainly what will not work.
- 04 You leave with a written plan and a written price.
- 05 Nobody asks you to pay on the day to hold a discount.
